UCONN INSTITUTE FOR SPORTS MEDICINE: ACUTE CARE & EMERGENCY MEDICINE WORKSHOP

The Acute Care and Emergency Medicine Workshop will be an in-person, didactic, and hands on/station-based workshop, covering key aspects of managing acute care/emergency situations in an athletic setting. This workshop is geared towards Athletic Trainers, Emergency Medical Staff and Coaches. Continuing Education Units will be offered for Athletic Trainers. We will cover topic areas such as:

- ✓ Acute Emergency Injuries
- ✓ Spine-Boarding
- ✓ Concussion/ Head Trauma
- ✓ ... and more!
